

RENTAL EVENT TESTIMONIALS

“I want to thank you and your staff for helping us enjoy a very special and lovely day for our daughter’s wedding. Everything worked out so well and we have received so many compliments on how lovely the wedding was and how beautiful the location was.”

Sally Martin, Mother of Bride, Barlow/Martin Wedding July 8, 2012

“The ceremony and reception could not have gone any better. The wedding was wonderful! All the guests had a great time. Everything we discussed was in place and it looked absolutely beautiful once the tables were set and the floral centerpieces were set in place. When nightfall came the barn looked magical with the white lights and the tea lights on the table. I can’t say enough! I will highly recommend the Landis Valley venue to anyone interested in having a very special wedding and reception. It will forever hold special memories for our family.”

Ginny Stimmel, Mother of Bride, Germaine/Stimmel Wedding August 3, 2012

“Our 2012 PA C.A.R. (Children of the American Revolution) Summer Workshop was a wonderful success, and we have you (Joyce), Linda, and Jim at Landis Valley Museum to thank for that!! Our group really enjoyed its visit and Linda was a real trouper on a very hot and humid day. Planning the event with you made sure that the room and all the details surrounding an event like ours was taken care (of) before we even showed up. On Saturday, Linda was a delight to work with and there wasn’t a question she couldn’t answer or an issue that wasn’t resolved on the spot. Kudos to all!”

Renee Gallagher, PA C.A.R., August 4, 2012

“The wedding was magical! Everything went as planned, no hitches or glitches. I hear that people are saying it was the best wedding/reception they’ve ever attended. They especially appreciated that it was comfortable and casual. No tuxedos! No Stilettos! Thank you for helping us to have such a successful and blessed event. Our attendant was very friendly and helpful. He was busy the entire time, moving things here and there, answering questions, providing guidance. We felt very secure knowing that they were there to help us.”
