

The Firehouse

The Firehouse is a replica of an early rural firehouse.

The building consists of one large room with wooden floors and a smaller back room for food handling with a large refrigeration unit – a total of 1,258 square feet for both rooms. It boasts an electronically opened viewing screen for all types of presentations.

This is the perfect place for corporate training sessions, office parties, and smaller weddings with a capacity of up to 100 people.

Heated and air conditioned, the Firehouse is available daytime and evening hours.

Dimensions: 37' x 34' = 1,258 square feet
