

## **The Visitor Center**

The Visitor Center was built in 1969 to resemble an 18<sup>th</sup> century market house and offers a gallery and an auditorium.

The gallery is a welcoming space complete with a fireplace and historic exhibits. This cozy room has a capacity of 50 to 75 people and would be the perfect place for a cocktail reception before your meeting in the auditorium.

A great place for corporate meetings or training, the auditorium holds up to 100 people. A large screen and state-of-the-art projection equipment are available to assist you with your presentations.

The gallery and auditorium spaces are available from 5:00pm to 11:00pm and during limited off-season daytime hours.
