Frequently Asked Questions

1. What is included with rental of the Yellow Barn?

The rental fee includes the use of the barn, the courtyard, the North Stable, the special lighting in the barn, an attendant from the museum, a dressing area for the bride and her bridal party, and trash barrels.

2. Does the rental fee include tables and chairs?

Yes, in-house tables and chairs and set-up are included in the rental fee.

3. How is the Yellow Barn or Firehouse set up?

We will give you a floor plan of the space so you can design the layout you want. Round and/or rectangular tables can be configured to fit your needs.

4. Is the Yellow Barn heated or air conditioned? And the Firehouse?

A propane heater will comfortably heat the Yellow Barn. This is provided October through May. There is no AC. There are 4 ceiling fans and 3 floor fans. Additional fans can be rented. Heat and AC are standard in the firehouse.

5. What happens if there is inclement weather?

You can plan for a ceremony and reception to be in the barn having your guests sit at their assigned tables. The best option is to rent the Firehouse in conjunction with the Yellow Barn for \$525, which will accommodate up to 180 guests for ceremony seating. This fee must be paid at time of booking to have the Firehouse included for your event.

6. Do you have preferred caterers?

Many caterers have come to LVM and we have a short list that you may find helpful. You may use any caterer you choose. Caterers new to the site are required to make an appointment with us to view the site and sign our catering contract. Caterers need to provide a certificate of insurance also.

7. Is an insurance policy needed?

Yes. A certificate of insurance is required for all functions.

8. Does LVM supply linens?

Linens and any table covering should be obtained through your caterer or you can supply them yourself.

9. Can the Millstone Grove be used for a wedding?

Yes, but only in conjunction with the rental of the Yellow Barn. The grove can be used for a ceremony or a reception. The rental fee for the grove is \$325, in addition to the Yellow Barn rental.

10. Where is the dance area in the Yellow Barn and Firehouse?

Anywhere you want! You can designate any area in these buildings for dancing. You have the choice to set up the venue as you prefer. We have previous set-ups and recommendations to share with you.

Frequently Asked Questions (continued)

11. When can the wedding party use the Yellow Barn and Firehouse for set-up and rehearsal?

If there is no other event taking place in the Yellow Barn or Firehouse the day prior to your scheduled date, you can come the day prior between 3:00—6:00 PM to set up and have a rehearsal for an additional fee of \$150. If the day prior is not available, access to your rented area the day of your scheduled event starts at 9:00 AM and throughout the day.

12. What is required to rent the space?

Once you decide on a definite date, your date is confirmed with a 25% deposit. We also require a \$500 security deposit.

13. Are alcoholic beverages permitted?

Yes. Beer and wine can be brought by you or a distributor. All alcoholic products require a Host Liquor rider on your liability policy for the event. Insurance can be obtained as a “Rider” on a homeowner’s policy or through an online event coverage company such as Markell, WedSure, or Travelers. If kegs are used, drip pans are required and we recommend having the bar located in the North Stable. If you are having a full bar, you must have a RAMP Certified bartender serving.

Breathtaking!!

There aren't enough words for me to describe my wedding day here aside from breathtaking!! From the initial visit if seeing the venue a year and a half before our wedding to the day of the wedding, I couldn't get over the uniqueness and character that Landis Valley provided. The staff [was] phenomenal. They made sure from the moment we booked until we walked away that night Mr. and Mrs., that everything was taken care of to our request. We rented the yellow barn, as well as the firehouse as our rain backup. We didn't need the firehouse (thankfully!), but I'm so glad we had that option because there aren't many places that have an inside option aside from the reception area should it rain. This venue is incredible and allowed our guests to explore a little during cocktail hour. The inside decorations of the barn are perfect! I can't say enough about this venue. I highly recommend for anyone wanting a country/rustic theme.
