Frequently Asked Questions

1. **What is included with rental of the Yellow Barn?**

The rental fee includes the use of the barn, the courtyard, the North Stable, the special lighting in the barn, an attendant from the museum, a dressing area for the Wedding party.

2. **What is included with rental of the Firehouse?**

The rental fee includes use of the Firehouse, and lawn area.

3. **Does the rental fee include tables and chairs?**

Yes, these are included in your rental fee of each of these buildings.

4. **How is the Yellow Barn or Firehouse set up?**

We will give you a floor plan of the space so you can design the layout you want. Round and/or rectangular tables can be configured to fit your needs.

5. **Is the Yellow Barn heated or air conditioned?**

A propane heater will comfortably heat the Yellow Barn. This is provided October through May. There is no AC. There are 4 ceiling fans and 3 floor fans. Additional fans can be rented.

6. **Is the Firehouse heated or air conditioned?** Heat and AC are standard in the Firehouse.

7. **What happens if there is inclement weather?**

You can plan for a ceremony and reception to be in the building having your guests sit at their assigned tables. If in the Yellow Barn, the best option is to rent the Firehouse in conjunction with the Yellow Barn for \$1,000 which will accommodate up to 180 guests for ceremony seating. This fee must be paid in advance to have the Firehouse booked for your wedding event.

8. **Do you have preferred caterers?**

Many caterers have come to LVM and we have a short list that you may find helpful. You may use any caterer you choose. Caterers new to the site are required to make an appointment with us to view the site and sign our catering contract. Caterers need to provide a certificate of insurance also.

9. **Is an insurance policy needed?**

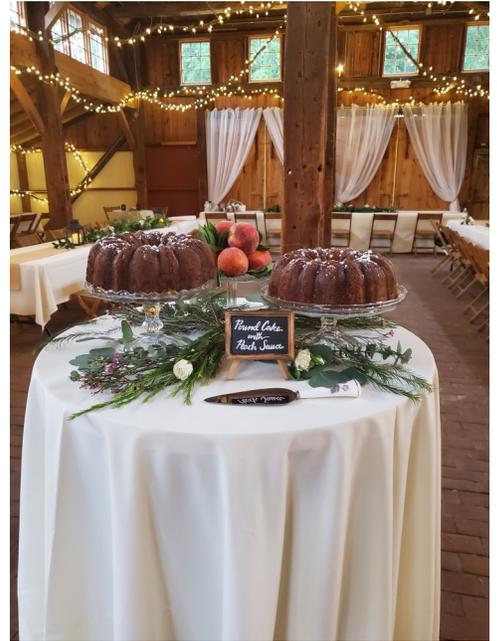

Yes. A certificate of insurance is required for all functions. You may obtain a rider on your existing homeowner's policy or parent's policy or purchase a policy for the day over the internet. This policy must have your Host Liquor Coverage on it, no matter if you are serving just beer and wine or a full bar.

10. **Does LVM supply linens?**

Linens and any table covering should be obtained through your caterer or you can supply them yourself.

11. **Can the Millstone Grove be used for a wedding?**

Yes, but only in conjunction with the rental of the Yellow Barn. The grove can be used for a ceremony. The rental fee for the grove is \$1000, in addition to the Yellow Barn rental.

Frequently Asked Questions (continued)

12. Where is the dance area in the Yellow Barn and Firehouse?

Anywhere you want! You can designate any area in these buildings for dancing. You have the choice to set up the venue as you prefer. We have previous set-ups and recommendations to share with you.

13. When can the wedding party use the Yellow Barn and Firehouse for set-up and rehearsal?

If there is no other event taking place in the Yellow Barn or Firehouse the day prior to your scheduled date, you can come the day prior between 3:00—6:00 PM to set up and have a rehearsal for an additional fee of \$500. If the day prior is not available, you would have access to your rented area the day of your scheduled event.

14. What is required to rent the space?

Once you decide on a definite date, we will issue a contract for you to sign and require a 25% deposit. We also require on signing your \$500 security deposit which will be held and refunded to you no longer than 45 days after the event and is in the form of a mailed check. Every contract requires an original signature and middle initial of the person signing.

15. Are alcoholic beverages permitted?

Yes. The serving of Alcohol requires a Host Liquor rider on your liability policy for the event and a RAMP certified bartender. If kegs are used, drip pans are required and we recommend having the bar located in the North Stable.

Stunning Setting!

Landis Valley is a beautiful place to have a wedding. When I was a young girl I had a cousin who got married at Landis Valley and it really made me fall in love with the location. I always knew I would get married there someday, and I did. The setting is wonderful and there are so many great places to take pictures. The staff is very helpful and did a great job making our day one to remember. We had our reception in the Yellow Barn and it was dreamy. The twinkle lights that weave through the barn are so whimsical and the courtyard is such a nice element as well. I would recommend this to anyone who wants a stunning setting without breaking the bank. It really is a special place. Hannah, married on 5/18/2019
