LANDIS VALLEY WEDDING FAQs

1. How is the Yellow Barn, Firehouse or Historic Hotel set-up?

We will give you a floor plan of the space so you can design the layout you want. Tables and chairs are included, we have round and/or rectangular tables, and they can be configured to fit your needs, including an area for dancing.

2. Is the Yellow Barn heated or air conditioned? A propane heater will comfortably heat the Yellow Barn. This is provided October through May. There is no AC. There are ceiling fans and 3 floor fans. Additional fans can be rented.

3. Is the Firehouse or Historic Hotel heated or air conditioned?

Heat and AC are standard in the Firehouse and the Historic Hotel.

4. What happens if there is inclement weather?

You can plan for a ceremony and reception to be in the building and have your guests sit at their assigned tables. If in the Yellow Barn, the best option is to rent the Firehouse in conjunction with the Yellow Barn for \$1,200 which will accommodate up to 180 guests for ceremony seating. This fee must be paid in advance to have the Firehouse booked for your wedding event.

5. Do you have preferred caterers?

Many caterers have come to LVM and we have a short list that you may find helpful. You may use any caterer you choose. Caterers new to the site are required to make an appointment with us to view the site. Caterers need to provide a certificate of insurance.

6. Is liability insurance policy needed?

Yes. A certificate of insurance is required for all functions. You may obtain a rider on your existing homeowner's policy or parent's policy or purchase a policy for the day over the internet. This policy must include Host Liquor Coverage if you are serving alcohol.

7. Are Pets permitted?

Landis Valley is a working farm, for the safety of the Farm animals and your pets, pets are not permitted on the Museum Grounds. Pictures with pets are permitted outside the fence on the Museum perimeter.

8. How is trash handled?

You are responsible for removing everything you bring in including the trash created by your rental. We provide trash cans and liners. Use of our dumpsters are included too. You do not need to take the trash with you.

9. When can the wedding party use the Yellow Barn, Firehouse and Hotel for set-up and rehearsal?

If there is no other event taking place in the Yellow Barn, Firehouse or Hotel the day prior to your scheduled date, you can come in the day prior between 3:00—6:00 PM to set-up and have a rehearsal for an additional fee of \$500. If the day prior is not available, you have access to your rented area the day of your scheduled event.

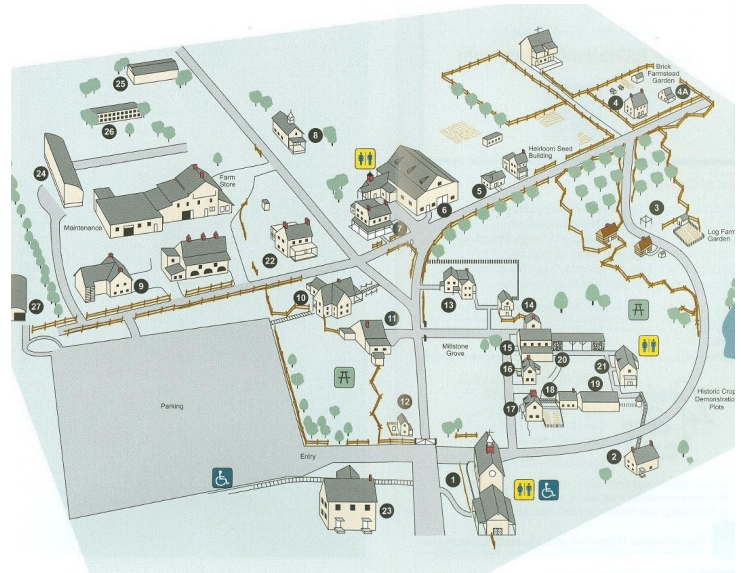

10. What is required to rent the space?

Once you decide on a date, we will issue a contract. A payment of 25% of the total rental and a \$500 security deposit are due at signing. The \$500 security deposit will be held and refunded if there is not damage or major infractions of our rules.
